It is folly to especiment with the numerous low-priced infatures, of cheap materials, and without medicinal virtues, offered as blood-partitiers, while disease becomes more firitly scatch. Aven's SAUSMAMILLA is a medicine of such concentrated curative power, that it is by far the best, cheapest, and most celable blood-partier known. Physicians know its composition, ond prescribe it. It has been whelly used to forty wars, and has wan the unqualited confidence of allitions whom it has benefited.
